

OUR COMMUNITY PARTNERS HAVE A LOT TO SAY ABOUT THE LRТА!

“Transportation is the top need for our patients at Lowell Community Health Center, with nearly 12,000 requests for assistance in 2024 alone. As one Lowell High School student shared, ‘If I didn’t get transportation assistance to attend my appointments, I would not be able to go. Boston is far away, and it costs a lot of money to pay for an Uber. We don’t have a car, and my parents do not know how to use the train.’ For many of the 41,000 patients we serve—96% of whom live at or below 200% of the Federal Poverty Level—the LRТА’s free-fare service is a lifeline, helping ensure they can access the care they need to stay healthy.”

Susan West Levine, CEO
Lowell Community Health Center

JOIN OUR PARTNERS IN PROMOTING TRANSIT!

The Lowell Regional Transit Authority is developing public transportation services that will take us into the future.

Regional Benefits of Public Transportation

Convenient Access to Jobs, Medical Services and Shopping • A Clean Air Environment
Economic Development • Less Traffic Congestion • Reduced Energy Consumption • Improved Quality of Life
