

# OUR COMMUNITY PARTNERS HAVE A LOT TO SAY ABOUT THE LRTA!

“

*The Lowell Regional Transit Authority is a valued community partner. The LRTA's willingness to work cooperatively with UMass Lowell to develop and deploy strategies aimed at increasing ridership, improving the public transportation experience, and better serving our students and staff is most appreciated. As the Lowell campus continues to evolve and expand, the LRTA is at the table with us to address transportation and traffic issues expected with a large urban campus located in a gateway city.*

*For UMass Lowell and the City of Lowell to achieve their respective economic development goals, a reliable, professional public transit system is required and the LRTA is there to guarantee that system.*

”
